

To

The Secretaries of all State Associations / PSPB / RSPB / AAI / AI

Please note the following :-

- A) As per the decision of AGM, this year we have included Cadet Event in the Zonals. Also we have changed the playing format which will now be round robin league followed by knock out in all the categories.

It has been observed in the last two zonal championships that Chief Referee is facing lots of difficulties to make draw because of not receiving the entries in the proper format and also receiving the entries in piecemeal. Henceforth, it has been decided that entries received in the proper format and within the deadline will only be accepted.

- B) Please note that the entitlement of entries for each state is as detailed below :-

1. Maximum 8 entries in each event except host is entitled for double entries in each event.
2. In the Juniors / Sub-Juniors / Cadet event each state is entitled for 4 entries @Rs.100/- each and balance 4 entries will be @Rs.300/- each.
3. In the Youth / Men / Women events each state is entitled for 5 entries @Rs.100/- each and the additional 3 entries will be @Rs.500/- each.

- C) TTFI is nominating Umpires from each state. The name of the umpires are sent by the state associations but it has been observed that few of the umpires are neither reporting nor informing about the inability resulting in a shortage of umpires at the last moment.

Please ensure that once the name is given then the umpire must report at the venue and in case of any problem the same should be reported to the Federation as well as to the organizers well in time, otherwise the quota of such defaulting association will be forfeited in future and the defaulting umpire will not be considered in future.

- D) In spite of repeated requests, we have not received registration forms of players from few states & institutions resulting in lots of difficulties to Federation in updating the database of the players as well as to the organizers at the time of making draw. Hence, we will appreciate, if players registration forms are received latest by 15th September, 2011.

D.R. Choudhary
Secretary General
